Did you know that mercury thermometers can be harmful to the environment and human health? Learn how to *Be Mercury Free* at a thermometer exchange event on Wednesday, October 22<sup>nd</sup> from 10 a.m.- 2 p.m. Bring in your old, silver mercury thermometer and receive a new, free digital thermometer at Anderson Brother’s Leader Pharmacy, located in the Town & County Village Shopping Center on Fulton & Marconi. This event is a scheduled stop on the Road to Wellness event tour, sponsored by Leader Pharmacy and UC Davis Medical Group. Opportunities for blood donation and various health screenings will also be available on site.

Protect yourself and the environment by safely recycling your old, silver mercury thermometer. Remember, mercury thermometers can break or spill if thrown in the trash. Dispose of them properly at a thermometer collection event or contact your local Household Hazardous Waste Facility.

Bring your friends, your family and your silver mercury thermometers to Anderson Brother’s Leader Pharmacy on Fulton & Marconi on Wednesday, October 22<sup>nd</sup>, from 10 a.m. to 2 p.m. To learn more about mercury free alternatives, visit [www.bemercuryfree.net](http://www.bemercuryfree.net) or call 916-875-6644.
